Item	Key Points/Action Plan
Agenda	<p>Felix reviewed agenda and touched on previous meetings. He also reported on progress from last blueprint meeting:</p> <ul style="list-style-type: none"> • Comment box has been installed in resident room • 7am teaching rounds have been instituted. • All evals completed by residents are anonymous. Resident evals by off-service faculty are not anonymous. • Blue cards – will send out to individual residents at the same time they go to PD & APDs. L.Barrett will talk to Jeff Fritz about stocking blue cards in pods for easier access by faculty.
Recruitment Plan 2010-2011	<p>Fewer interview days with a maximum of 16 applicants per day. Interview days will be Wednesdays and Fridays with nights out being the evening prior. Schedule will be posted in advance, and Eric will help coordinate residents signing up for applicant interviews. The G1 residents have agreed to host the night outs rotating location at various residents' homes. Zabrina Evens has agreed to coordinate the night outs. Lori will check on the budgeted funds. Will also work with HCMC on a coordinated interview day for UMN students.</p> <p>Discussed adding "chief interview days" to the schedule for next year.</p> <p>Discussed applicant packet.</p>
Retreat 2010	<p>Location will be the St. Paul Curling Club. Eric identified several themes to discuss and has volunteered to help with the planning. Action groups will be formed at the end of large group discussion with clear goals and dates for completion.</p>
ROD	<p>The Thursday ROD is responsible for summarizing each conference and sending to Emily to post on Facebook. Eight ROD presentations have been uploaded to Google sites.</p>
Web 2.0 and Education	<p>Discussed developing a core repository for the residency to share wisdom and culture with ease of accessibility. Items would include all aspects of education such as: conference snippets and updates, resident blogs, ROD presentation, and links, etc. Discussed how public to make our educational information.</p>
